Bridge LPN to RN
Admission Worksheet

These admission procedures are in accordance with Illinois law. The law requires that programs not having sufficient space and resources to accommodate all applicants will accept those applicants best qualified, using rank, ability and achievement test scores as guides, with preference given equally to students residing in the district or in a joint agreement district.

Information about Licensure

The following questions are taken directly from the application for the National Council Licensing Exam which you will take following completion of your program at KC. If you would answer "yes" to any of these questions, your exam application will be referred to the Committee on Nursing of the Department of Financial and Professional Regulation for review prior to your being eligible for exam or licensure. **PLEASE READ THEM CAREFULLY**. If there are any **"YES"** answers to the questions below the applying student shall speak to the Dean of Nursing at Kaskaskia College prior to submitting the application. Do not answer the questions on this page in writing.

- Have you ever been convicted of any criminal offense in any state or in federal court (other than minor traffic violations)?
- Have you had or do you now have any disease or condition that interferes with your ability to perform the essential functions of your profession, including any disease or condition generally regarded as chronic by the medical community, i.e.,
  - (1) mental or emotional disease or condition?
  - (2) alcohol or other substance abuse?
  - (3) disease or condition, that presently interferes with your ability to practice your profession?
- Have you ever been denied a professional license or permit, or privilege of taking an examination, or had a professional license or permit disciplined in any way by any licensing authority in Illinois or elsewhere?
- Have you ever been discharged other than honorably from the armed service or from a city, county, state or federal position?

All students will be required to have a background check and drug screening upon entry into the program.
