

TRANSFER GUIDE

AAS Radiologic Technology transferring into BS Radiologic Sciences: CI Radiography

Kaskaskia College Courses			
AAS Radiologic Technology – 76 hours			
ENGL 101-3	English Composition	XRAY 105-7	Radiological Clinical Education
COMM 103-3	Fundamentals of Speech Comm	XRAY 110-5	Rad Principles & Anatomy I
MATH 101-0	Basic Mathematics	XRAY 111-5	Rad Principles & Anatomy II
MATH 130/134-3	Intro Contemp Math/College Algebra	XRAY 145-4	Rad A&P with Cross-Section I
PSYH 101-3	Psychology	XRAY 146-4	Rad A&P with Cross-Section II
Elective-3	IAI Social Science	XRAY 201-7	Radiological Clinical Education
MEDT 104-1	Medical Technology	XRAY 204-4	Radiological Clinical Education
XRAY 101-4	Radiological Clinical Education	XRAY 210-5	Advanced Patient Care & Anatomy III
XRAY 103-6	Radiological Clinical Education	XRAY 211-5	Rad Bio & Review
XRAY 104-2	Pro & Interpersonal Responsibilities	XRAY 250-2	Radiologic Pathology
Southern Illinois University Carbondale Courses Capstone Option			
BS Radiologic Sciences (RADS) Cardiac-Interventional (CI) Radiography – 57 hours			
Elective-3	Humanities	RAD 427-3	Sectional Anatomy & Pathology
Elective-3	Physical Science	RAD 437-3	Physics & Image Acquisition
Elective-3	Life Science	RAD 447-10	Cardiac-Interventional Clinical I
Elective-3	Fine Arts	RAD 457-2	Special Problems in CI Radiography
Elective-3	Multicultural	RAD 467-4	Cardiac-Interventional Clinical II
RAD 407-3	Patient Interaction & Management	RAD 477-2	Seminar in CI Radiography
RAD 417-4	Imaging Procedures	Electives-11	300/400 level for 42 sr hr requirement
Total Hours to Bachelor Degree: 133 Hours

 E: kscollin@siu.edu

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

Saluki Transfer Pathways is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The Saluki Transfer Estimator Portal (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
