TRANSFER GUIDE

AS Agriculture Science Suggested Curriculum transferring into BS Agricultural Systems & Education General Ag

Kaskaskia College Courses			
AS Agriculture Science Suggested Curriculum – 64 hours			
ENGL 101-3	English Composition	HLTH 102-3	Human Health & Wellness
ENGL 102-3	English Composition	CHEM 111-5	Chemistry Inorganic Chemistry
COMM 103-3	Fundamentals of Speech Comm	Elective-4	Chemistry
MATH 136-4	General Statistics	Elective-2	Health & Personal Development
Elective-3	Math	AGRC 101-4	Intro to Animal Science
ZOOL 101-4	Zoology	AGRC 121-3	Soils & Soil Supplements
ARTO 105-3	Intro to Art	AGRC 124-4	Agriculture Crop Production
AGRC 122-3	Agriculture Economics	AGRC 213-4	Computers & Technology in Ag
PSYH 101-3	Psychology	Ag Elective-3	
PHLE 120-3	Ethics		
Southern Illinois University Carbondale Courses			
BS Agricultural Systems & Education (AGSE) General Agriculture Specialization – 56 hours			
AGRI 323-2	Career Dev in Agriculture	Elective-3	ANS Elective
AGSE 170-4	Intro to Physical Princ in Ag	Elective-3	ABE Elective
AGSE 314-3	Ag Information Programs	Ag Minor Elec-15	Select from approved list of minors
AGSE 371-4	Physics in Agriculture	Electives-19	
AGSE 375-3	Intro to Ag Systems		
Total Hours to Bachelor Degree: 120 Hours

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

Saluki Transfer Pathways is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in Salukinet.

Saluki Transfer Estimator Portal (STEP)

The Saluki Transfer Estimator Portal (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.

PROGRAM ARTICULATION DEGREE PLAN						
Kaskaskia College	**2024-2025**			**Southern Illinois University Carbondale**		
AS Agriculture Science Suggested Curriculum - 64 Hours				BS Agricultural Systems & Education (AGSE) General Agriculture Specialization - 120 Hours
