Once you have applied and been accepted, Chamberlain will complete a transcript evaluation on all received transcripts. Transcript Evaluation will determine if you need the full 21 credit hours of General Education Core.

As an RN with an associate degree or diploma in nursing and a current, active RN license, you will be awarded 77 proficiency credits for your previous education experience. We value your experience at Chamberlain – you'll earn a minimum of 77 credits (known as proficiency credits) for your education and clinical experience as a registered nurse towards your RN-BSN.

Note: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Catalog override the information on this guide.
