

TRANSFER GUIDE

AS Agriculture Science transferring into BS Animal Science Equine Science

Kaskaskia College Courses			
AS Agriculture Science – 65 hours			
ENGL 101-3	English Composition I	ZOOL 101-4	Zoology
ENGL 102-3	English Composition II	BIOL 101-4	Biology
COMM 103-3	Fundamentals of Speech Comm	ARTO 105-3	Intro to Art
MATH 136-4	General Statistics	HLTH 102-3	Human Health & Wellness
MATH 160-5	Precalculus	Elective-1	Health & Personal Development
Elective-3	Social & Behavioral Sciences	GUID 109-1	First Year College Experience
AGRC 122-3	Agriculture Economics	AGRC 101-4	Intro to Animal Science
Elective-3	Humanities	AGRC 102-3	Animal Nutrition
CHEM 103-4	General Chemistry	AGRC 121-3	Soils & Soil Supplements
PHYS 101-4	Physics	AGRC 124-4	Ag Crop Production
Southern Illinois University Carbondale Courses			
BS Animal Science (ANS) Equine Science Specialization – 55 hours			
CHEM 140B-4	Chemistry	ANS 381-1	Animal Science Seminar
ANS 219-4	Introductory Horse Management	ANS 409-4	Equine Science
ANS 309-3	Equine Evaluation & Performance	ANS 419-4	Stable Management
ANS 314-3	Forages	ANS 431-4	Reproductive Physiology
ANS 315-3	Feeds & Feeding	ANS 490-8	Horse Industry Internship
ANS 331-4	Growth & Dev Physiology Animals	1 Course-4	ANS 112, 212, 312 or 412
ANS 332-3	Animal Genetics	1 Course-3	ABE 350 or 351
ANS 337-3	Animal Health		
Total Hours to Bachelor Degree: 120 Hours

			Total hrs to BS degree:		120
Degree Plan updated on 8/23/24 by SG					

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
