

## SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

# **TRANSFER GUIDE**

### Associate of Engineering Science (AES) Curriculum transferring into BS Electrical Engineering

### Kaskaskia College Courses AES Curriculum - 64 hours

|           |                                     | Credits |
|-----------|-------------------------------------|---------|
| KC Course | Course Name                         | Hours   |
| CHEM-111  | Chemistry I (Inorganic Chemistry)   | 5       |
| ENGL-101  | English Composition                 | 3       |
| MATH-166  | Calculus and Analytical Geometry I  | 5       |
| ENGR-103  | Engineering Graphics and CAD        | 3       |
| PHLE 110  | Logic                               | 3       |
| MATH-267  | Calculus and Analytical Geometry II | 4       |
| PHYS-201  | University Physics I                | 5       |
| ENGL-102  | English Composition                 | 3       |
| ENGR-203  | Statics                             | 3       |

|                       |   | Credits |
|-----------------------|---|---------|
| KC Course             | Course Name                             | Hours   |
| PHYS-202              | University Physics II                   | 5       |
| MATH-268              | Calculus and Analytical Geometry III    | 4       |
| ENGR-201              | Computer Programming for Engineers      | 3       |
| ECON 205              | Principles of Macroeconomics            | 3       |
| MATH-269              | Differential Equations                  | 3       |
| ELECTIVE              | Social Science Elective                 | 3       |
| COMM-103 OR           | Fundamentals of Speech Communication OR |         |
| COMM-204 <sup>1</sup> | Interpersonal Communcation              | 3       |
| PHLE-120 OR           | Ethics OR                               |         |
| PHLE-201 <sup>2</sup> | Professional Ethics for Engineers       | 3       |
| ELECTIVE              | ENGR Elective                           | 3-4     |

### SIUE Courses BS Electrical Engineering - 67 hours

|                      |                                      | Credits |
|----------------------|--------------------------------------|---------|
| SIUE Course          | Course Name                          | Hours   |
| ECE 211 <sup>3</sup> | Circuit Analysis II                  | 4       |
| ECE 282              | Digital System Designs               | 4       |
| ECE 326              | Electronic Circuits I                | 4       |
| ECE 340              | Engr. Electromagnetics               | 3       |
| ECE 341              | Electromechanical Energy             | 4       |
| ECE 351              | Signals and Systems                  | 3       |
| ECE 352              | Engineering Probability & Statistics | 3       |
| ECE 365              | Control Systems                      | 3       |
| ECE 375              | Intro to Communications              | 3       |
| ECE 404              | ECE Senior Design I                  | 3       |
| ECE 405              | ECE Senior Design II                 | 3       |

| SIUE Course | Course Name                    | Credits<br>Hours |
|-------------|--------------------------------|------------------|
| ECE XXX     | ECE Elective I                 | 3                |
| ECE XXX     | ECE Elective II                | 3                |
| ECE XXX     | ECE Elective III               | 3                |
| ECE XXX     | ECE Elective IV                | 3                |
| NON-ECE XXX | Non-ECE Tech Elective          | 3                |
| IE 345      | Engineering Economics          | 3                |
| BFPA        | Breadth Fine & Performing Arts | 3                |
| BLS         | Breadth Life Science           | 3                |
| EH          | Health Experience              | 3                |
| IS          | Interdisciplinary Studies      | 3                |

Total Hours to Bachelor Degree: 131

Note: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

<sup>1</sup>COMM 204 is preferred by SIUE.

<sup>2</sup>PHLE 201 is required by SIUE. If not completed at KC it must be taken at SIUE. <sup>3</sup>Recommended to be completed in summer prior to transferring. This course is a pre-requisite for ECE 326 and ECE 351.

\*Students must complete 50% or more of the degree requirements at SIUE.

SIUE website

#### SIUE School of Engineering Transfer Credit Advisory Notes:

NOTE: Student must apply for admission to upper-division classes before starting their junior year at SIUE. The form for 'APPLICATION FOR ADMISSION TO UPPER-DIVISION' must be submitted by the deadline to the academic advisor in the School of Engineering at SIUE.

Students must earn 60 hours from a senior institution for graduation requirements. If students take all SIUE junior and senior level courses, as stated above, at SIUE, they will meet this requirement. <u>Please note:</u> deviating from the planned schedule above may jeopardize this requirement.

SIUE may accept transfer "D" grades, however, in the School of Engineering, a grade of "C" or better is required in all chemistry, computer science, mathematics, physics, and engineering courses applied to major or minor requirements. A course that transfers as 1XX, 2XX, 3XX or TRF 1XX, TRF 2XX, TRF 3XX may require a course description and/or syllabus for further evaluation.

A course that satisfies both the ERGU and EREG attribute requirement will only be counted as one attribute and not both.

Interdisciplinary Studies (IS) Courses must be taken at the junior/senior level class standing. This requirement is not waived with completion of transfer associate degree or IAI-GECC. It is recommended that students choose a course to meet this general education requirement AND Global Culture Race and Equity Experience (EREG). Please see the SIUE advisor for a current list of course options.
